

# Vital treatment of the month

## The Steirerhof de Luxe Treatment

Experience an extraordinary pampering ritual for both skin and senses: our sea salt body scrub combined with a nourishing mare's milk cream wrap offers a truly holistic wellness experience.

The gentle scrub leaves your skin silky-smooth and supple while helping to relieve bothersome itching. Afterwards, a luxurious mare's milk cream, refined with precious aromas, is carefully applied from head to toe. Cocooned in a pleasantly warm waterbed, you will enjoy deep relaxation while your skin receives intensive care and regeneration. Treatment duration approx 50 min, € 84

Our skin needs plenty of care and external support to maintain its natural acid mantle. When intact, it helps prevent moisture loss. However, if the skin barrier is compromised, it may lead to dryness, flakiness, irritation, impurities, redness, tightness, itching, or increased sensitivity.
